

# Sustainability - especially climate protection - as structural change

---

Günther Thallinger, Allianz SE

„ We have heard the  
**messages!** “

It is high **time** “ “  
” ” to **act**

# Organization and financial services provider

Change means  
engagement

Many **companies** have set  
**emission targets** in line with **SBTI**

**For example:**

**AstraZeneca**

**Burberry**

**Deutsche Telekom**

**HP**

**IKEA**

**Mahindra**

**Mars**

**MARUI Group**

**Microsoft**

**New Zealand Post**

**NIKE**

**ONO Pharmaceutical**

# Challenges are:

Data,

transition paths

and a

global

price for emissions

# Asset Owners committed to carbon neutral portfolios

” until 2050

UN-CONVENED

NGO-SUPPORTED

M2020

ASSET OWNER-LED

It is about our entire  
„ **economy**  
and about **climate protection** “  
as an integral part of our activities
