THE FAST BLUEPRINT SUMMARY TABLE

FAST Blueprint Goals	Actions	
	Act Now	**Initiate**
Goal 1: Compliance with laws against modern slavery and human trafficking	• Strengthen financial investigations • Involve and learn from survivors • Strengthen use of the AML/CFT and sanctions regimes	• Develop transactions analysis tools • Mobilize the insurance sector • Use public financial regulatory levers – procurement, investment + lending
Goal 2: Knowing and showing modern slavery and human trafficking risks	• Collaborative learning on due diligence • Foster digital and data innovation • Public, intergovernmental reporting and exclusions database (mutual debarment model)	• Taxonomy and harmonized disclosure regimes • Corporate ESG ratings • Collaborative value-chain mapping and shadow pricing modelling
Goal 3: Using leverage creatively to mitigate and address modern slavery and human trafficking risks	• Differentiated leverage guidance • Collaborative leverage in high-risk sectors such as construction • Promote leverage reporting and transparency	• Explore platform leverage • Develop benchmarks and ratings on leverage • Embed leverage in enterprise
Goal 4: Providing and enabling effective remedy for modern slavery and human trafficking harms	• Participate in the FAST Financial Access Project's Survivor Inclusion Initiative • Provide and contribute to effective remedies • Cooperate with financial investigations and judicial processes	• Use leverage to enable effective remedy ecosystems • Develop new insurance lines • Investigate other novel modalities
Goal 5: Investment in innovation for prevention	• Invest in digital finance to serve vulnerable populations, e.g. through the FAST Financial Access Project's Vulnerable Populations Initiative • Size investment needs • Promote social finance, such as microfinance	• Strengthen ROI knowledge • Develop anti-slavery bonds and performance loans • E-finance regulatory harmonization
