Alibaba Singles' Day sales

Singles' Day, also known as "Double 11", is the biggest online sales event in the world, outstripping the sales of U.S. shopping holidays Black Friday and Cyber Monday. This year, the massive 24-hour shopping frenzy generated a record \$38.4 billion in total sales on Alibaba's marketplaces, smashing its own record from the previous year.

Note: Total sales is the total value of orders settled through Alipay on Alibaba's China retail marketplaces, Lazada and AliExpress;

1 dollar = 6.9945 yuan, exchange rate as of Nov. 8, 2019
